

Rye Lawn Tennis Club Legacy Fund

Leaving a legacy is one of the most powerful ways you can support the Club with the added benefit of costing you nothing during your lifetime. The aim of the fund is to raise money that will preserve the unique qualities of this fabulous club for future generations to come.

It's extremely simple and easy to do. If you have already made a will, we can provide you with a codicil - which is a simple way to make an amendment to your existing will, so you don't have to go to the time and expense of re-writing your will. If you haven't yet made a will, simply add a clause when you do stating that you would like to leave a specified sum of money to Rye Lawn Tennis Club.

The fund will be split into two parts. Half the annual donations will go towards the running costs of the Club. The other half of donations will be invested for the benefit of the Club and the income from those investments will go towards means-tested help for local children who wish to learn to play tennis and towards the continued maintenance of our fantastic grass courts. Your legacy could help find our next Tim Henman!

Should you have specific wishes as to the areas that you would like to fund, these will of course be honoured.
