

# Rye Padel League Rules

1. A match is 2 tie-break sets.
2. Each set is to 6 games. If you get to **5 games all**, play a tie-break to 7 points to decide who wins the set. (The score will then be 6:5)
3. Each game will count as a point towards your league score. For example, if you lose both sets 6-4, 6-4 you get 8 points. This means that every game counts.
4. Please contact your opponents via WhatsApp to arrange your matches. Give a range of date and time options on your specific league's WhatsApp group and agree who will book the court.
5. Play starts on Monday 9<sup>th</sup> March and you have until midnight on 4<sup>th</sup> May 2026 to complete your matches.

*Please only sign up to this league if you have the time to play your matches within this period. If you are going to be unavailable for a number of weeks or weekends consider missing this league and re-joining when you have more time to play.*

6. Any pairing who complete their matches within the allotted time, detailed above, will receive a 3 point bonus to their overall score.
7. If you are unable to play an arranged match you must let your opponents know, no later than, **48 hours** before the game. Failure to do this will result in a walkover against you and a 6-0, 6-0 score.
8. In the unfortunate event that matches are not arranged, both pairings are considered equally responsible and will therefore both receive 0 points for the match, the only exception being rule 7 above.\*

***\*Any pairing who do not complete all of their matches will need to pay a £30 fine (to go towards the Poole Field Development Fund) before being able to play in future padel leagues at the club.***

**9.** Once a match is completed, please record the score on the boards inside the 'Bus Stop' shed by the courts. Find your team on the left hand side of the table and follow across to the correct opponent's column.

Write how many games you won in each set – e.g. 6 and 5

It will look like this:

MIXED LEAGUE 1	Jack and Jill	Padel Pros	KitKat	Snickers	Pigs	Dinosaurs	Total
Jack and Jill			4 and 3				
Padel Pros							
KitKat	6 and 6*						
Snickers							
Pigs							
Dinosaurs							

\*Jack and Jill lost 4-6, 3-6 against KitKat

**Also**, please send a photo and your score to the Padel League WhatsApp group. Everyone loves seeing who's been playing!

**10.** At the end of the league the scores will be added up and we will crown our champions. There will be promotions and relegations following each league.

If you have any questions about the league and rules, please contact Arthur.
