

Rye Lawn Tennis Club Illness and Injury Policy

Membership refunds

RLTC does not offer any refunds of membership. All tennis and social memberships are for one year and run to and from the renewal date.

Injuries/illness

From the time at which it is reported to us, depending on the nature of the illness/injury we will offer a member with a long-term injury/illness a reduction to social membership rates for the period of time they are off court, for up to six months. This amount will be deducted from the next subscription renewal (or refunded at renewal time if the member is discontinuing their memberships).

- A) From the moment we are informed of the illness/injury, the member will pay the next two months subscription in any event.
- B) From the end of that two-month period (the member is required to contact us again), we will allow up to a three-month extension of the membership by conversion to social membership.
- C) At the end of this three months, a member can request a further extension of their social membership, if their injury or illness persists. This extension can be for up to three months.
- D) At the end of this period no further extension can be given and the remaining period of the original membership will continue.
